GSA FOIA folks,

My colleague Brad Hennessy just got off the phone with Duane Fulton, who graciously said he would attach the following FOIAs to the FOIAs we submitted via FOIA Online, because of the current problems with FOIA Online.

We re-titled each of the requests to reflect the GSA FOIA number, but "20190801 WVP FOIA (GSA -- BLM Move Comms)" is for GSA-2019-001428 and "20190801 WVP FOIA (GSA -- GJ Leases)" is for GSA-2019-001436.

Thanks for your help!
